Stone Select Countertops, Inc. will be responsible for the tear out of existing tops? Yes No

**Customer is responsible for leveling cabinets, properly supporting countertops, disconnecting and reconnecting all plumbing and gas appliances.

**Tear out does not include tearing out of tile backsplash

- Draw here or use separate sheet**
1. Start by drawing the shape of your kitchen similar to the example. (Scale NOT important)
 2. Write in measurements for all areas.
 3. Put an X on all edges that are going to be finished
 4. Put BS on the back wall in all areas that you would like a backsplash supplied by Intown Design.
 5. Note placement of all sinks, cook tops, free standing ranges, dishwasher and refrigerator. (please note if sink is undermount)
